## TABINEKO

BY TOSHINORI MORI

### Our exhibition

Tabineko is a series of illustrations which, literally, means "cat goes on a trip". The series features a black cat who travels with his friends through various places, like city streets or country lanes.

Toshinori is also fascinated by the seasons, which are constantly changing Japanese landscape – you can notice this on each illustration.

### PRODUCT REVIEWS

#### Aneesha

I have been using your Lemon Face Wash for a while now and I am loving it. It really give refreshing feeling and also has reduced my tan. My favorite part of the soap was the scent. The scent was so pleasant that every shower for the next month will smell like a spa!

#### Elena

The first thing you notice is the beautiful colors. The soap leaves my skin silky and smooth without being greasy or sticky. I was really impressed with the quality and value and I would totally recommend.

#### Rasmi

Lovely natural smelling soap. Smooth on the skin and lathers up well. I was very pleased with it as it can be used for sensitive skin types too which I found useful. Also there are no harsh additives that one can feel.
